TITLE: Colorado Springs Chapter Welcomes Scouting America

The Colorado Springs (COS), Colorado Chapter of MOWW was honored to welcome three distinguished guests from Scouting America to our May Dinner Meeting. Jim Machamer, Scout Executive for the Pathway to the Rockies Council provided a look at the National Level Scouting Program with emphasis on the name change from Boy Scouts of America to Scouting America to encourage female membership in the Scouting organization. He was followed by Steve Hayes, the Council President for our local Scouting Organization who updated us on the reorganization and upgrades to the Cub Scout programs, the impact of COVID on Scouting operations and participation, and upcoming Colorado summer camps. Finally, Brody Lambert provided a “Scouts-eye view” of the process and requirements to achieve the title of Eagle Scout, the highest level of achievement in Scouting. All of our Scouting representatives assured us that Scouting remains one of the most well-attended and nationally critical youth programs to build outdoor skills, leadership proficiency, community service, and life skills for our students and young adults.
