The incredible value of our ROTC/JROTC programs in training, mentoring, teaching citizenship, and molding the next generation of leaders for our nation cannot be overstated! As MOWW members, we provide the support and encouragement to dedicated retirees from our Armed Services that have stepped up and volunteered to continue to mentor and teach our nation's high school and college students to be better leaders, citizens, and hopefully, take our place in military service to the nation. Our COS MOWW presenters were impressed with the quality and standards of the cadets we saw at these events and are proud to report that our nation will be in good hands for years to come.
