### TITLE: COS MOWW Celebrates Veteran's Day at Doherty HS, Colorado Springs

The Doherty High School Navy JROTC detachment organized and led an assembly honoring Veterans on 11 November 2025 with the entire school in attendance. It was an extremely well executed and patriotic ceremony, complete with bagpipes, band and chorale contributions, a superb performance by the NJROTC Drill Team, and honors to approximately 50 veterans. The faculty and students gave special recognition to numerous faculty members who served in the military. Colorado Springs MOWW Companions in attendance were CPT (USA, fmr) John Hannan and Col (USAF, ret) Kerm Neal.
